ABOUT US

Taurus Group is a distinguished manufacturer and exporter of premium calf and cow leather, based in Ranipet, Southern India, with a rich heritage spanning four generations. **In 1952, Mr. Sambandam** began trading leather and established a small tannery named "Samco." Building on this strong foundation, **in 1986, our founder, Mr. M.S. Gunasekaran**, son of Mr. Sambanda with 30 years of experience in his parent company, Samco, took a bold step forward by establishing his own company, marking the beginning of a new chapter in the family's legacy.

From these modest beginnings, we have steadily grown and diversified into multiple sectors, including finished leather, leather goods, accessories, and furniture. Today, our factory spans an impressive **200,000 square feet of built-up area**. We pride ourselves on our unwavering commitment to quality and timely delivery.

Now led by the fourth generation, Taurus Group continues to carry forward its legacy of craftsmanship, innovation, and excellence while embracing modern technology and sustainable practices.

Taurus Group now operates and owns three distinct entities:

- **Guna Taurus India Pvt. Ltd:** specializing in finished leather
- **Mother Impex** is focused on leather bags, wallets, and belts
- **HedonHomes**, dedicated to the manufacturing of furniture and home furnishings
